## Connect with Customers 24/7

---

Looking for a way to easily connect with customers, send notifications, and promote special offers? Now you can! Bravo Mobile Messenger makes it easy to send texts to customers anytime, anywhere.

### Increase On-time Payments

Send customers automatic notifications and alerts when payments are upcoming or past due.

### Increase In-store & Online Sales

Give your customers a reason to check you out again by sending quick notifications of deals and promos.

### Beat the Competition

Your customers are consumers! Use communication to stay top of mind so you can win more business that might otherwise go to your competitors.

## What's Included

---

Automated, recurring text reminder notices and campaigns

\$.07 per text message, unlimited
